“ I had the honor of knowing this sweet Angel for 30 years. Her smile was as big as her heart and she never had a bad thought, feeling or word to say to anyone. she greeted everyone with a hug and a kiss. I have lovingly called her "monkey ears" for most of that 30 years. I had the special honor of being her "honorary husband" at a ceremony that we had at Lake George with Alice, Hank, Judy, Al & my mom Irene as witnesses. Her beautiful diamond engagement ring (a prize we won at the skeeball arcade) was something she loved. We spent the day dancing and singing on the Ticonderoga. A memory I will always cherish. It's a shame that the good ones go first. God must have really needed an Angel by his side. She was the perfect example of "LOVE" with no strings attached. We should all learn by her example. Rest in Peace Monkey Ears, say hi to everyone up there for us. We'll dance again some day.

Judy and Al anything that I can do for you, all you have to do is call.

Love
