“ Ah Tua Teo Was a wonderful colleague and professor of philosophy. He was held in highest team by his colleagues, as well as his students. I had the pleasure of working with him for many years. I will always remember his smile, his sense of humor and his dedication to teaching my deepest condolences to his family. Ulster has lost a grade philosophy, professor.

“ His presence in this world will be missed. He has run his race with courage and faithfulness. Ah Tua was a steady beacon of love, patience, grace, encouragement and wisdom. He was a precious witness of the Lord he loved so much. A source of joy to my family. And a powerful theological and philosophical influence throughout my entire life. We all loved him dearly, as we will continue to love his beloved family.

“ So sorry hearing of Ah Tua's passing. Ah Tua and Yetta were two of the most gracious, faithful, supportive patrons of my Fairview Cinema 3. I always enjoyed greeting them on their multiple visits. I will never forget the lovely words written on my retirement card (which I have in my album) & forever grateful for the thoughtful gift.

“ I was probably one of Ah Tua's first student and to this day I have fond memories of our talks back then. I am so sorry to hear of his passing, but I know that he left a positive mark on so many of us for life. Rest in peace my old friend and mentor.

“ I have many wonderful memories of Ah Tua. As a girl, I met him and his family at church, where he taught a wonderful bible study of the Old Testament on Sunday mornings. He was always kind and polite to everybody and had a great sense of humor. The first time my family was invited to eat at the Teo's house, we were all a little surprised to be served so much rice!!! I have always cherished my memories of all the church functions graciously hosted by Ah Tua and Yetta at their lovely home overlooking sheep pastures. I thank God for such a wonderful man and feel honored to have been a part of the church he served.

“ This man. Literally saved my life. Most will never know his earthly impact, let alone his kingdom impact. Always there for my theological questions. He will be missed
