“ Joan I am so sorry to hear of your loss. I will never forget how hard Al worked for the Save Pine Haven cause and how much he wanted a facility for our Veterans. He was one of a kind and really cared for the staff at Pine Haven. He will be missed by many. You and your family are in my prayers. Your friend Lila

“ I am so sorry to hear Al is gone. Our community lost a great asset when he died . Al was always studying the political comings and goings ,and very often he would know something important was about to happen before it was news. At times he made the news. Our full time advocate will be sorely missed .
