“Albright was a friend of my mothers. The last time I saw him was after my sister Angela's funeral. My remaining sisters and I went to Hudson to recapture our youth. We went to Promenade Hill and climbed the statue to take pictures. On our way out we saw Albright. We all remembered him and he us, once we told him our mother's name, Savannah (she passed in 2005). We talked for a while, a very pleasant conversation with an always pleasant and respectful man. Rest in Peace.

“I spent many a time having deep conversations with Albright about so many topics. I enjoyed the back and forth we had. We also enjoyed a few cocktails together along the way. I will forever miss his charming ways and beautiful smile. Rest in Paradise old friend.

“Albright has been a friend to me and my family for many years. He worked with me at Crown Carton in Hudson and he spent many nights at our dinner table. We loved him like a member of the family and to honor us he named his son, Jason, after our son who passed away. He was such a great guy...we will miss him, but will never forget him. RIP dear friend.

Cannot believe my friend has passed. I had not seen him in years, but whenever I came to Hudson we would see each other and play "remember when". Rest in peace my friend..
