"See ya later alligator, in a while crocodile"

Andrea moved to Hudson after graduating from A.B Davis High School in Mt. Vernon NY and attended the Cavell School of Nursing where she began her career of being a beloved and devoted caregiver. She continued her pursuit of education obtaining both her bachelor and master degrees in Nursing Education. Andrea worked at Columbia Memorial Hospital for nearly 30 years before moving to Connecticut for the next chapter in her life. For the next ten years Andrea continued her career in Nursing Education and Staff Development at Bristol Hospital where she also made lasting memories and great friends. Andrea later moved back to New York, living in Troy to be closer to her family and worked as an Associate Director for the New York State Nurses Association where she later retired from.

Andrea then moved back to Hudson to be closer to her friends, family, and to begin life as a grandmother. Andrea's love of the ocean and the rocky coast lead her to the State of Maine many times throughout her life traveling with family, many of her good friends or just by herself for a peaceful getaway. Andrea will be remembered for her bullish ways and telling you like it is, but as well for her generosity, kindness, and loving heart.
