“ I have such wonderful memories of times Joe LoPresti and I shared with Danny and Anita at their home on the lake and then later in their current home. What fun times we had and Anita sure could cook a delicious meal. She is now reunited with Danny and I'm sure they are having a great time up there with their friend Joe LoPresti. I am happy I had a chance to speak with you early in this past year. Please accept my heartfelt sympathy. Anita you will never be forgotten. Love, Loretta LoPresti <3
