“ Aunt Anne was always my favorite person. I used to love hanging out in her attic suite in Mineola. I always loved her Snoopy stuff...I now have her "Keep Smiling" plaque hanging in my apartment. So far it is making me cry...but I know that it will eventually help me through the loss.

“ Sorry for your loss. I can't forget your Aunt driving through the Rip Van Winkle toll booths! Beautiful person

“ Many moons ago, Aunt Anne would go above and beyond the call of duty to help us kids and make us feel loved. She had a heart of gold and will forever be in our thoughts. Fly high Aunt Anne.
