

## Antoinette "Nettie" Shallo

August 14, 1922 - March 29, 2026

Antoinette (Pierro) Shallo, age 103, passed away peacefully on March 29, 2026. She was born on August 14, 1922, in Stuyvesant Falls, New York, and spent much of her life in Hudson, New York.

Known to many as "Nettie" she was the beloved daughter of the late Francesco and Michelina (Martino) Pierro. Antoinette was predeceased by her devoted husband, Lawrence "Piney" Shallo; her brothers, Joseph, Louis, and Carmine Pierro; her niece Antoinette Tamburro; and her nephew, Victor Pierro. She is survived by her loving nephews, Frank (Dolores) Pierro, Carmine (Leitha) Pierro, and Louis (Paula) Pierro; her nieces, Michele Pierro, Mary Ellen Pierro, (Victor's wife), as well as several great-nieces and great-nephews, cousins, and dear friends.

Nettie was a most giving person, always there for her family—supporting them and making sure they always had enough to eat. "Mangia!" was her loving reminder to all who entered her home. She not only cared for her family, but for everyone she encountered; her generosity truly knew no bounds.

For most of her life, Nettie was the proud proprietor of Pierro's Italian Imports, a beloved store that served the Italian American community and broader in Hudson for over 60 years. She fed her family and so many more with her homemade sausage, meatballs, sauce, and other specialties that are still talked about and missed dearly to this day.

She lived out her deep love of God and the Catholic Church in everything she did and in every life she touched, and was a devoted parishioner of Our Lady

of Mount Carmel and Holy Trinity Parishes. Nettie was also an avid bowler, walker, and volunteer, serving for many years as a Pink Lady at Columbia Memorial Hospital.

Nettie was a devoted wife, daughter, sister, and aunt, and a role model to all who knew her. She will be remembered for her warmth, her faith, her enduring smile and the lasting impact she made on her family and community.

“ So many memories...

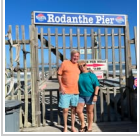

- as a kid, going to her store w my dad, Phil, and watching the meat grinder run
- her wonderful ravioli that melted in your mouth
- after a dinner at her house, going into the den. Uncle Piney sleeping in the chair with the tv on.... And sneaking those spearmint leaf candies from the candy dish 🤪
- when she stopped making her sausage long after the store closed and my dad would order weekly/biweekly
- visiting her house with my children for cookies and milk/coffee
- her house decorated in dark blue - now, my fav color
- stopping by her house after a school football game or when I was at the tennis courts
- one that I still talk about.. I was due to have my daughter Jenna any day... it was that day we went out for lunch - Chinese. About 5 hours later I was in labor!

*There are so many things about my Aunt Nettie. So many occasions our family shared. She will truly be missed.*

“ I am very sorry to hear of the passing of my Aunt and Godmother. Aunt Nettie had a kind and loving heart, one she also shared with the Shallo side of her family. She was close with my Uncle Piney's brothers and sisters, often inviting the extended family for a holiday meal/dessert. She was always quick to put a pot of coffee on when our father would bring us to visit. I remember many happy visits at the family home, and was privileged to share her with my own daughter, who was very fond of her. On one occasion, we even brought 2 of my grandchildren to meet her. Though we lived far away, we always thought of her, and visited when we could. She will be sorely missed by all who knew her.💕💕
