“ Barbara was an important part of my family's life. She set me up a blind date with Shirley at the old Paramount Bar/Grill on Warren Street in Hudson, NY with her and George when George and I were home on leave. This meeting ended up leading to a wedding a year after the date!! Since she and Shirley were high school classmates, we all spent the 60 years as close friends. When I moved to Fla we did mostly phone calls and, every year or so, we would travel to West Ghent to visit. George and Barb would travel to Fla to visit us. I remarried after Shirley passed but the friendship continued. When George passed, Barb was very lonely. When we visited her you could see she was not a happy camper and I think she was ready to go be with George. As the good book says, we will all see each other agan.

“ My Aunt Barbara was the sweetest, most selfless person with a terrific sense of humor. My favorite memories are spending time with her, eating weird and wonderful food and sewing together. She was one of a kind and I will miss her.
