“ *Bart was a most interesting and engaging neighbor. Living across the street from the Rectory of Christ Episcopal Church, he and I ran into each other quite often. He was always available for deep and intelligent conversations about philosophy and religion. His knowledge and life experiences in many disciplines were commanding, and when we parted I always felt that I learned something significant about the meaning of life. Hudson has lost a bright light. Shalom, dear Bart! Shalom.*

*Dearest Margo, you have my heartfelt sympathy and I will continue to keep you in my prayers. I hope that your deep faith sustains you at this most difficult time. The Lord be with you,*

*In his Love,  
Mother Eileen*

*I was in the army with Bart 1966 at Fort Gordon GA we shared the same bunk. I attend your wedding but as the years moved on we lost touch. He was a most wonderful man. Hoping you had many good years.
