“ I worked with Bonnie for numerous years. She was always smiling. She was such a wonderful person and friend to all that knew her. She will definitely be missed! Heaven must have needed a real special angel.

“ Bonnie and her husband Ron was our neighbor for quite some time. She was a very sweet and kind person. She was always good to my kids especially my daughter who was a close playmate of her daughter Sarah. I still remember carpooling the kids to Sunday school with her, as well as talking to her at Saturday morning bowling for the kids. She always welcomed us in her home and made us feel comfortable. My condolences to Sarah and Victor.

“ Bonnie and I worked together for 10 years. She was a good friend. Always smiling. Always helping. A hard worker. I can hear her laugh. She was so proud of her daughter and her grandsons. Heaven gained an Angel.
