Branden Joseph Luciano, 36, of Germantown NY, passed away tragically on March 25, 2024, in Catskill, NY. He was born on July 19, 1987.

Branden, known to his loved ones as "Luch" was a devoted son, brother, father, and friend. He cherished his family above all else and his smile lives on brighter than the morning sun in all our memories. He will be remembered by those who knew him. Those lucky enough to have felt his presence will feel the weight that this has left on them. Branden had a passion for the water, enjoying fishing and boating with friends and family. He was a skilled boat mechanic and loved working with his hands. He was known for his attention to detail and getting the job done right the first time.

Branden lived his life to the fullest and adored his family life. Branden was very ambitious and outgoing with a bright future ahead of him. He wanted nothing more than to be surrounded by his family and friends. He was the anchor that held so many of us together.

In his free time, Branden loved hosting lively parties where he could cook/grill, and entertain to ensure everyone felt welcome. He had a free spirit and a determined will that guided him to live life on his own terms. Branden was notorious for having a sweet tooth and enjoyed sharing his treats with others over a cup of coffee.
