Brian Frank Navom

March 1, 1960 - June 22, 2024

Born March 1, 1960 in Hudson, NY. "Bub" as his family and close friends called him, was a joy to be around. He was kind and courteous and everyone liked being around him from the very start.

He graduated from Chatham Central High School and went directly to work in the janitorial dept. for the Chatham school district and was there for 29 years. He was a dedicated employee but found time to volunteer at sporting events. He also would dress up as Clifford the big red dog at the local library to help young readers.

As for sports, he loved his football, basketball and tennis. He kept up on all his favorite NFL and collage teams. Brian enjoyed watching Tennis but could also play a good game. Especially when he could show up his older brother, sister and father.

Brian loved his music, especially good ole rock and roll. And where there was a dance floor you could often see him dancing and playing his air guitar. Buddy Holly, CCR, Jethro Tull and even Charlie Daniels would get him up and moving to the beat.

Brian traveled quite a bit. He went to Hawaii, Europe with older brother Bruce and family, several trips to Florida alone, with his parents and to visit his sister in Tennessee and Florida. He never gave up a chance to ride on the back of the motorcycle with brother Bruce.

Brian was the first male auxiliary member of the Chatham Fire Dept, and later became a full member. He was very active in both roles, willing to help in any way, He also was a social member of the south Schodack fire dept. working their Bingo games.

Needing to go on Dialysis he decided to reside at the Firefighters Home in Hudson NY. In 2018 he had a successful kidney transplant. That would not slow him down. Any activity going on he would try to attend. From crafts and the Train club to shuffleboard with anyone he could get to play. He loved wii bowling enjoying competition with Keith the homes administrator. He was a member of the blue vests, and past Vice President and secretary of Residents Council.

Brian loved his church and attended services regularly. He enjoyed the camaraderie with other parishioners. He faithfully read his Bible every night.

After a short stay in the hospital, Brian passed away on June 22, 2024.

Brian is survived by his sister Carol (Navom) Bashford (Peter), nephews Michael Dugan (Tara), Bryce Navom (DJ), Brandon Navom, niece, Julie (Navom) Pichette (Nate).

Predeceased by parents Michael Navom and Shirley (Bryant) Navom and older brother Bruce Navom.

“ *Very sad to here about Brian's passing! I hadn't seen him in many decades, but we used to sit together on the morning and afternoon bus from Chatham School on White Mills Rd., when we were both much younger! I will always remember those days and hope that he had a good life! Taken way too soon!
My thoughts and prayers go out to his family, during this most difficult time!*
