

Byron Hills

August 22, 1976 - May 14, 2018

The sudden death of Byron Hills this May of 2018, has left his family and friends in profound sadness.

He leaves behind his parents, Robert and Cynthia Hills, sister Naima and her son Karel, loving daughter Jahmeeka, partner Kristine and beloved son, Kiernan, as well as his many aunts, uncles and cousins. He will be missed dearly by untold friends near and far.

He was born August 22, 1976, in a cabin in Greendale where he grew up. He lived in Colorado and always had a place in his heart for the west. He was a passionate mountain bike racer, snowboarder and ice hockey player. Several restaurateurs in the area and out west will also feel a great loss as Byron loved working in and out of their kitchens.

To know Byron was to experience someone who gave you everything he could without expectations for anything in return. Untold friends loved his generosity and a manner that was hard to describe. Needing a favor or help in a pinch, he would just say yes and be there for you. That's who he was, a mild mannered man who would make you happy just to know him.

His family and friends will be forever sad with the loss of this special soul.

There will be a memorial service on Saturday, May 19, at 3 pm at the Bates and Anderson Funeral Home, 110 Green Street, Hudson, NY. 12534

In lieu of flowers contributions would be appreciated and made to Stride Adaptive Sports, 4482 NY-150, West Sand Lake, NY, 12196. www.stride.org

Cindy and Robert: your profound sadness is shared by many. My thoughts and prayers are with you and your families during this heartbreaking time. Byron and my daughter Tara started out in kindergarten at Greenport School together. Such a sweet little boy.

Byron was like a big brother to our son Desmond and our family enjoyed watching Byron grow into such a family oriented and kind man. He was adventurous and fun to be with and will be missed deeply by his family which included so many friends and fans from many years. With love, Michael and Deborah Price & Family

“ I played hockey with Byron in Williamstown. I am shocked and extremely saddened by the news of Byron's passing. I am so very sorry for Byron's family and friends and I'd like to extend my deepest condolences. Byron was a great hockey player, who never gave up on a play, always played hard and with a smile on his face. He was the kind of person you wanted on your team both on and off the rink.

I am so very sorry for your loss.
