“ I have so many memories of Cathy accumulated over the nearly 15 years we worked together. From the time I begin working part time in the ED until I assumed the role of Chief Medical Officer we worked together. Her dedication and passion to her patients and the Hospital were inspiring. She was a tireless patient safety advocate. She was a great friend and colleague. She will be missed by many in the community. My prayers are with all of her family.

“ Remembering Cathy. The first time I met Cathy was back in the late 1980s in the basement of CMH where Cardiopulmonary department was. Paul Cornell the then director was leaving for Florida and Cathy was introduced to me as the new manager, (Just back from maternity). Catskill Memorial Hospital Respiratory Dpt. had just been assimilated to Hudson Memorial Respiratory Dpt. Cathy was given an impossible job of merging the two into one. I remember her calm and thoughtfulness with care how she listened without adding or over ruling but rather lovingly bringing our two departments together like two who had been apart, now belonged as one. Her skills where unique not learned or taught but inherited through passion for what she believed in and loved like a family. Catskills Hospitals Cardiopulmonary and Hudson Memorial Hospital departments became one the day she embraced us. Due to Cathy’s care and love for her patients, staff and profession. Thank you Cathy my dear boss friend and fellow respiratory therapist. Forever in my heart. Sincerely with respect honor and love. Tony Pickston. Respiratory therapist.

“ *Deeply saddened by this news. Cathy and I worked together at Albany Medical Center during her time there and stayed in touch through the profession. Since we were both Respiratory Therapists and Hudson High Alumni we had a special connection. Hard to believe I won't see her bright smiling face the next time I stop into Columbia Memorial. She was very special and will be missed greatly, but always remembered fondly.*

“ So sorry to hear about this. I have many fond memories of Cathy from K-12 , so many involving the Keysers, Thompsons, Schopps, Armstrongs and all the other clans we grew up with. Everyone getting along and none better than Cathy. One memory that stands out - all of us bombing around off-road in Chuck's Corvair. And of course all of us skating at Red Mill Pond after school every winter day.

To Chuck, Linda, Danny (Booner), and my old friend Gene, I don't know what to say except that I am very sorry for your loss.

All the words in the world could never express my deepest sympathy. Cathy was one of the kindest, loving people I had the pleasure to know! We had several conversations and one that sticks out the most is her saying " I am finally complete" The world has lost a BEAUTIFUL soul, but I know HEAVEN is rejoicing! i am praying for Gods comfort and Peace for all of you!
