“ My condolences to Skip's family and friends !

*I'm so sorry to hear this sad news! 😞
Skip, I sure hope you're wearing your khaki's ,
Lol ! Your sense of humor was the greatest
and your pranks made everyone laugh! I will
never forget the time you made me think I was losing my hearing.
When you put scotch tape on the earpiece of my work phone and
for 3 days I thought I was going deaf ! Then one day you were in the
office and someone called and I handed you the phone and said
you talk to them, I can't hear what they are saying! You took the
phone and said well maybe it would help if you took this off and you
peeled the tape off and LAUGHED! So funny ! 🤪
You will be dearly missed by all who knew and loved you ! R.I.P. my
sweet friend ! ❤️*
