“ I was saddened to read of Cheryl's passing in the Hood Magazine. Her name jumped out to me because she was one of my close freinds at Hood. It is no surprise that we both went on to earn MBA's, work in Marketing and write grants for non-profits. May Cheryl's passing remind us tol ive each day in fullness and grace.

“ RIP my dear friend who supported me through Vietnam and the dark days after. I still have your letters. I know this is you because of the locations. God Bless you and keep you in his loving arms. SP/4
