

Christin Marie DiCintio

April 12, 2020

Christin Marie DiCintio passed away Easter morning surrounded by her loved ones. She may not have lived many years on this Earth but she touched the lives of all who knew her; our beloved, sweet little girl whose smile warmed our hearts and whose strength and courage could be seen and felt by all. Christin was preceded in visiting Heaven by her Papa Edward Lincoln, who has waited patiently to take her on many a beautiful golf cart ride; Grandmother Paula DiCintio; Grandpa Joseph "Hank" DiCintio and her sister Danielle DiCintio. Christin is survived by her father Chris DiCintio (Julie Batchelder); her mother Brenda DiCintio (Mark Zander) and her brother Ethan Lincoln. Also survived by grandmothers Beverly Lincoln and Deb DiCintio; Uncle Eric Lincoln; Aunts Tempfi Fleischmann (James), Debra Laurito (Robert) and Susan Devlin (Matthew); beloved first cousins Jason Laurito (Amber), Allison Martinez (Mark) and Roger Martin; and many more much loved aunts, uncles and cousins.

In lieu of flowers please make donations in Christin's name to Springbrook, 105 Campus Drive, Oneonta, NY 13820 or Ainsley's Angels of Central NY, 33 Jefferson Ave, Oneonta, NY 13820. To light a candle or share a memory with her family, please visit batesanderson.com. A celebration of Christin's beautiful life will be held at a later date.

All we can ask for in our lives is to leave the world a better place. For Christin, this aspiration has been fulfilled through the many caregivers, teachers, friends and family members who are better people for having known and

loved her. Heaven has truly gained a beautiful angel.

“ I still remember the first time I met Christen while working on the Beebe Hill Fire Tower in Austerlitz with Chris. She was a determined young girl back then taking the hiking trail all the way up to the Cabin. I remember Chris was mad because his son didn't wait to help Brenda with Christen coming up the trail. She did just fine though! Sending positive energy and light to you all!..

“ My thoughts and abundant prayers go out to the DiCintio family. I had the pleasure of providing Christin with physical therapy at Wildwood School. She was a sweet little girl full of spunk ! In her earlier years, she loved to ride a trike as a reward for doing a good job! Her Make a Wish picture still hangs over my desk as a lasting memory. Mimi O Connor

“ I am so very sorry to hear of Christin's passing. When I first started my career as a speech therapist, I was so blessed to work with Christin and her family. Christin was full of life and so spunky. She made me smile and laugh every day. As a teacher we are not supposed to have favorites but there is no denying Christin will always hold a special spot in my heart. Take your spot in heaven among the angels beautiful girl. You will be missed.

“ So Sorry to hear of the loss of one of our angels. I have so many memories of Christin at Wildwood. She loved to go for walks and even smiled whenever I sang to her. She loved music and always lit up when she heard one of her favorites. 🎵•**•🎵.
I was so happy for her when she was a Make-a-Wish star which enabled her to enjoy many rides outdoors. I'll always carry the brightness of her smile in my heart.
Sincerest sympathies to Chris, Brenda & Ethan.

“ I am very sorry to hear that Christin passed into eternal life but I know that she is an angel in heaven, sharing eternity with her family who have passed on before her. I used to watch her in the water at her Altamont summer program. She'd be unhappy if the boys got too rowdy in the water. But what a joy she was. I just loved her. May she be ecstatically happy with Jesus.

“ *Sweet Christin,*

I was so lucky to have met such a sweet and beautiful soul. Better yet, to have called you my sister. I remember sitting with you in the living room one day, and reading. I particularly remember the smiles and laughter that came from you that day; it warmed my heart. That day, I just wanted to continue talking to you, just to see that beautiful smile on your face and hear that laugh, that was so pure and so contagious. Those special memories I have of you, will always bring back a smile to my face. Thank you for being apart of my life and thank you for allowing me to be apart of yours. You are loved beyond words, and missed beyond measure. You will forever be in my heart, until we meet again sweet girl.❤️

Chris I'm so sorry for your loss. I can't imagine the pain. Please know our thoughts and prayers are with you at this time. I'm sure she knew the depth of your love. Whenever I saw you in Walmart you were the picture of a beaming dad. Your pride and love was so evident. Now she is no longer in pain and please take comfort in knowing she has taken her place in heaven. With much sympathy, Jill Hanley

Memories of our time together fill my thoughts throughout the day. My heart is full of love for you as you are loved like my own. This will never go away, but what I wouldn't do for just one more chance to see you, one more race to run with you, one more day to spend with you, one more mountain to climb.
