“ We came to know Chris while working at Ritters Grocery as she was a great friend of Yvonne and Jack. She was a kind and loving person whom did many wonderful things. She made beautiful baby outfits sewn lovingly by hand for babies who didnt have anything to wear home. She donated things to the church to help raise money and was known to rescue kitties who will miss her as much as we will. We are sorry will never get to do the things with her that we talked about. Never put off til tomorrow what you can do today. Tomorrows are not guaranteed. Bob Kelly Matt and John we hope you find comfort in the days to come in the memories of all the good times you have. You all were everything to her. We feel blessed to have known her, there should be more people in the world like her. Rest in Peace dear friend you have loved and lived well.
