Elaine, Tyler & Alyssa,

Our hearts are heavy over the passing of such a wonderfully kind and loving man, a friend to many people for many years. He truly lived the precepts of the order he cherished and dedicated his life to. A leader, a teacher, a mentor to countless young men. Our lives are far better for having known him, and life and the world will not be the same without him in it.

Rest in peace Craig, watch over us from the heavens above, until we meet again.

“ *Elaine, Tyler and Alyssa- I am so sorry for your loss. Craig was an amazing man and mentor and I truly enjoyed knowing him, working with him and talking to him. He was an example of all that we should aspire to be. When I saw him a couple of weeks ago I loved that one of the first things he did was to make fun of me and kid with me like he always did. My life and all of our lives are so much richer for having known him. You are all in my prayers.*
