“Everyone who remembers his own education remembers teachers, not methods and techniques. The teacher is the heart of the educational system.”

— Sidney Hook

I was lucky enough to have had Cindy as my fifth grade teacher at Taconic Hills. In fact, my class was her very first at Taconic Hills. Cindy changed EVERYTHING for me! She gave me the self confidence, love, and encouragement I had never received from a teacher before and so desperately needed.

Years later as an adult, I had the opportunity to tell her how thankful I was for her! I am so happy that I was able to let her know what a difference she made for me.

My sincere condolences to her family and friends. She was a bright light and will be greatly missed.

“ Deb, Mackenzie and I send our most heartfelt condolences to you all.

Cindy was an important member of the NDAC family back in the day her boys swam for us at Bard College. She became a certified USA Coach to help provide coaching coverage when there was a need to fill-in and was a true supporter of the sport. I have many a fond memory of us all at Senior Mets; particularly, those meets in Long Island.

“ I taught with Cindy at TH for many years. We had an instant connection when we realized that the Schiller name is connected to Bayshore, LI where all of my Guinta cousins live. We also discovered our mutual love for Kismet, Fire Island. Cindy was an incredible, caring teacher who always put her students first. Her smile lit up a room, and she was so fun to be around. Rest In Peace Cindy, and may you be on a beach with your toes in the sand forever. My condolences are with the Schiller family.

“ I am shocked. Cindy was one of my wonderful Spanish language students. She had an amazing sense of humor, which I always enjoyed. My heartfelt condolences go out to her family; Mark, Daniel, and Matthew as well as to the rest of the Stuart siblings Mark, Tim, Steven, and Amy all of whom it was my pleasure to know during my years at Germantown Central. May Cindy rest in peace with the Lord and the rest of the family find comfort in each other with your shared loss.

“ To the women who helped my son,
My son had ADHD. He was in your 1st and 2nd grade class. You and I kept a nightly journal to keep track of his behavior. We caught him in fibs and we made he come clean. You showed him love, kindness, all at the same time as being firm. We loved you for all you had done for us. You were by far the best teacher he ever had!
Rest in peace and fly with the angels. All my love to your family. 🙏
