“ *Dear Millie, We know there are no words that can ease your pain and sorrow; we ourselves have an empty feeling in our hearts that are daily waves to Danny will no longer take place. For over forty years Danny has been a true friend and neighbor. Danny has helped us in many ways none as more important when he provided me aid as a volunteer EMT. I can remember Danny helping to clear our driveway in the bitter cold or mowing our front lawn when I was unable to. I always respected Danny because he always worked so hard for his family; I always looked up to him. I will pray to our God that God will provide solace and strength to you and all those who loved Danny during this most difficult time. We will never forget Danny's kind spirit.
