“ I am saddened by Dave's passing. There are so many great days we spent together at Alfred. Even though we have not seen each other in years, I was visiting with a friend last Sunday and was telling him of Dave and his wonderful family. When I got home that night I got a call from Jim Dunfee with the sad news.

“ Pat & Hart Family:

Rika and I were deeply saddened to hear of David's passing. Our thoughts are with you at this difficult time. He will be missed. If a house could also share it's love... I know Hart Road would do so.

“ *Pat: We were so sorry to receive David's news. We knew, of course, of his many battles with health issues but even so, your call hit both of us hard. He was a special friend, and we'll cherish the great times we had together, many of which found us all dissolved in laughter (the cafeteria event with the errant food and falling chairs in the art gallery was one of the most memorable). We will always remember him fondly. He was a very special person and it was and is a true privilege to be his, and your friend.*

Much love from your wash-a-shores on Cape Cod, and remember-- the latch string is always out. Lucy and John.

“ Pat, I'm so very sorry to hear of the loss of your beloved David. He was truly a gentlemen's gentleman! I know he put up a good fight against his declining health, but apparently the good Lord felt he'd struggled long enough. May you be comforted by the healing light of God and the knowledge that your dearly beloved husband is happy in heaven with our Lord Jesus Christ.
