“ *I am so saddened to learn of the passing of one of the kindest, gentlest, most helpful and unassuming man I ever had the privilege of knowing. No matter what he was doing, Dave always made it seem like he had all the time in the world to help you. Had I known he had passed, I would definitely have paid my respects in person. Dave will always be one of my favorite people. Rest in peace, Dave. You earned your wings and more.*

“ *DAAAAAVE !!! As we so lovingly called to him every time we saw him or talked to him on the phone. That is the kind of supervisor and friend he was, kind, friendly, helpful and oh so relaxed. He made me feel right at home from the very minute I walked into his office for my 1st cleaning shift. Dave was always available to take a call after hours and came in on weekends. We have lost a true treasure If you never had a chance to hear him sing you really missed out on one of his many talents.
My heart is heavy with sadness for the lose of my coworker and friend. Thank you Dave.

“ I worked with Dave at the High School for a few years. I had to contact him several times a day about needs in the different areas of the building. He was always kind, friendly and used humor in all situations. Dave never seemed to get worked up and I never saw him be rude to anyone, including those who were less than kind to him. When I moved to a different building Dave was always so kind when I ran into him and always had time to say hello and ask about my family. I was saddened to read of his passing and my sincere sympathy goes out to his family and friends. ~ Melanie Hogan
