“ *I am so sorry to learn of Dean's passing. My childhood is filled with memories of playing sports at Dean's house; basketball in the driveway or tackle football on the side lawn. Followed by a trip to the Dairy Queen of course! Dean was one of the most natural athletes I ever met. And toughest too! In time he became one of my best friends. Although I have not seen Dean in many years, his memory is always with me. Even my adult children know his name! I will truly miss him. My most sincere condolences to all of Dean's family. Sincerely, Bob Doolittle*
