“ Dennis - Many years ago, I worked with your mom and met your father through that relationship. After your mom's passing, I would run into Dean here and there and chat with him. Both he and your mom were so very proud of you and they were both sweet and caring people. Please accept my condolences. Prayers to you and your family.

“ Dennis and family
We knew your Folks when they lived in Frewsburg NY. Your Dad was in the Jaycees with Ray and we enjoyed many times playing Pinochle and Jaycee camping trips.

We will always remember His love of fishing, and will think of Him at his favorite fishing hole.

“ *Dear Dennis and Family:*

*Dean, and your mother, Sandy, attended the Bible Study, we had in Bells Pond, when my wife and I lived there. We enjoyed wonderful times of Christian fellowship. No question, your Mom and Dad had placed their faith in Christ, and by reason of that personal relationship, it is a joy to know that they are now in the presence of the Savior whom they had trusted. My wife and I are in Texas unable to attend the service, You shall be in our prayers,
In Christian love*
