“ *I met Deb over 20 yrs ago @ CMH. She actually taught me transcription and if it wasn't for her, I wouldn't be doing the job I do today. She was the best teacher (so patient), and probably one of the nicest people I have ever met. She loved her horses and her family (both @ home and @ work) and I will always remember her with a smile on her face and those gorgeous blue eyes! We will miss you Deb and never forget you!*
