“ *How blessed I am to have crossed paths in life with Diana. Even though it was a short time, her friendship had a profound impact on me. We laughed, we cried, we laughed about crying, we shared, we had good times. I will miss her so much. May God bless Richard, Kristen, Jen, their families and friends to find peace in their hearts through their memories of Diana.*

*I haven't seen Diana since you all moved to NY, but seeing this picture
of her and Aunt Mary, I know I would have recognized her. She looks
so much like her Dad, the Biagi genes are very strong. Much too young
to leave, but I know she is with her parents watching over her family.
Deepest sympathy to all of you.*
