“ Walking the road back and forth in Churchtown. Going to see the “dinosaurs”. Riding bikes. Brownies & Girl Scouts. All those plays we did in middle school! And then years later, a little thing called Facebook to bring back all those memories and a bit of what’s been happening in our adult lives. Grateful.
Many prayers are with Mrs. Sticker & the rest of Diane’s family. She loved you all dearly.
The angels are singing.

“ My heart is just broken. I got to know Diane as an adult because of our work on the reunion. And I just was thrilled about that. She will be terribly missed. Until we all meet it again. I
