“ Dear Donnie, there is no way to explain how very much I am going to miss you . We had so many laughs and good times. And you were always there for me and the boys. I couldn't have had a more wonderful Brother in law, than you. You were also a very special Uncle to my sons. I still remember you taking Timmy out of school once in a while just to take him for a (joy ride) .. You sure did spoil him, and he loved you so much as all three of the boys did . There are so many great memories that I could go on and on.. I have tried to do things the way you wanted me to, and I think you know that . Please give Mom and Dad a hug for me . Phil and I love you and you will forever have a special place in my heart ..

“ I will always remember your laugh, your outrageous sense of humor and silly stories. But also how you called my parents so often, especially Mom (Aunt Trease as you called her)after Dad died and calling her right up until the time she died, Thank you for keeping her in touch with Myrtle also. . Those calls meant the world to her and they both loved you so much. We all love you Donnie and will miss your voice, your smile and just knowing you were there. RIP Dear Donnie. We love you.
