“ I have many memories with Donnie and Sandy from birthday parties on a boat sailing on the Hudson River to the one at The Brookmeade Community Foundation. Also many Christmas and summer brunches at the Plaza Diner. Fill the sky with sunshine Donnie and when it thunders I will know you are bowling up there. RIP friend.

“ George Clowe was my grandfather and he often spoke about the bowling alley and all his "pinboys". I believe the kids were paid 5 cents a game! It's lovely to read about someone who shared my grandfather's love of bowling.

*I'm so sorry for your loss.*
