“ To Mary, Justin, David, Don Jr., Jamie, and Darren...words cannot express my sorrow at the passing of your father. As tall and sturdy as an oak, the man was a rock for many. He shares his home for many..including me for which I am forever grateful for. I wish I could have known him better....but knowing his influence on you all is the next best thing. I pray for your loss....remember the good times for I know there were many.

“ To the Weaver & Tiano Families,
My father had a million “friends” and according to the majority of them they were his best friend. In reality, I could count my father’s true friends on one hand. Big Don Weaver occupies a finger. He was a great man and greater friend. “Big Weave” is greatly missed and appreciated by myself and my family. May he rest in Peace. Many Blessings to all of you during this time.
Love, Mark Tomaso & family.
