“ We are saddened to hear of your loss.....our friend "Dee". She was a wonderful and much loved woman who we were fortunate to have as our special daughter's driver to preschool way back in the 80s. Even though she was no longer in our daily lives, we still kept in touch decades later and she continued to be a cherished friend. She will be sorely missed. With deepest sympathy and love, The Jonas family (Amy)

“ I have many good memories of you Aunt Doris and it is hard to pick out one that I will always remember . You were and always will be a very special part of my life. You were one of the few people who never judged me and was always there to listen and to comfort when needed or to laugh with me. You were and always will be my very favorite Aunt and whenever I go to one of our favorite eating places I will recall the times we sat and laughed and ate together. Thankyou my dear Aunt for sharing your love and kindness with me and Terry. We love you and will miss you terribly but you will live on in our hearts forever. Love Martha and Terry
