“ *I have such fond memories of Dorothy Hunt! I remember her smile and great laugh! As a child I remember wanting to be as grown up as her. I remember all of my sisters and our cousin Dorothy, gathered at our grandfather's house on North Avenue, singing Christmas Carols from hymn books. I remember the ice cream making that Dorothy organized every Sunday, then Dorothy disappeared from my childhood.*

*Luckily, we reconnected when I opened my first business in New York City and we kept in touch for years.*

*I'm so glad that my sister Greta arranged with her son Maurice, a last visit with her at his home. It was so good to see her again and meet her son, Maurice and Maryna and baby daughter for the first time.*

*It was also very heartwarming to witness the loving care enveloping dear Dorothy. She was blessed to be so treasured.*

*Dorothy, thank you for the great childhood memories and love you showed us! You deserve a very wonderful afterlife!*

*Love from your cuz Dimples*

“ Dorothy Hunt and I grew up together with my Grandfather, the late O'Connor Betty. She was his "adopted" daughter. We all loved her daily and she helped to take care of my sisters and I. She was a fantastic cook and maker of the best home made ice cream ever! Oh how we looked forward to that treat on Sundays. I am so happy that I got to spend time with her last October. Dorothy, you will be missed. Enjoy sweet sleep now in The Master's Arms.
