“ Kristine and family -- so sorry to hear if Ed's passing -- we only met at family gatherings -- but he and Bob would have a wonderful time talking about you and me -- comparing notes -- about our beverage choices!!! He was a wonderful soul. I know what it is like to have our best friends pass -- Bob will be gone 6 year in November. Kris you and your family need to cherish the memories - and I believe you will have smiles as you remember them. God Bless. Mary Lou

“ My sincere condolences go out to Krissy, Eric, and Kelly. I was Ed’s Apprentice lineman he taught me everything about line work at Niagara Mohawk. I got on his truck along with Ron Briscoe back in 1988. I saw Ed as a rough and tuff Lineman who was very much old school. He even taught me how to ice beer down.

We spent lots of working hours together over the years. Put in some hard work but had lots of fun and laughs along the way. I remember going in his motor home was watching Eric play baseball in high school. Also his 50th birthday party that Kelly put on with the zing-a-gram girl.

Underneath that rough and tuff exterior was a big kind and caring man.

Once he said to me in the truck, “you have a long neck!, I’m going to nickname you “Bull”, you know the Bailiff on the show night court!”that Nick name stuck with me the rest of my career.

Thank you Ed for being a great roll model, friend, and co-worker.
May you Rest In Peace with your dog Tyson

Rest In Peace Ed. We had some absolutely amazing times...almost didn't seem like work. I was blessed to start my career in Hudson as a Lineman. The stories each and every one of us will take with us. Love you Ed. See you again
