Sharon & Family,

Ned & I were friends and good buddies for many years back in Hudson NY and beyond. We joined the Army N G on the same day to B Company 152 Engineer Battalion and served there as well as in Leeds NY and other units and at Fort Drum NY. Ned was trustworthy, reliable, conscientious and was a great Soldier. He became a super recruiter after he went full time AGR. His great personality was a perfect fit for that role. My great memories of Ned as a close friend and fellow Soldier would fill a large book. I am very sorry that I did not get to see him very often in later years and before he passed.
