“ Edward was a great person. He will be missed I knew him and his sisters long before I married his cousin Harold Bersch Jr. We used to hang out and play pool. He was always there if you needed something. He was loved by all. Sorry I can't be there for the family but my prayers are with them. I live down in TN. He is home now with the Lord and his family members that have went before him. Love you Eddie.
