

## Eilene Karic Morris

January 31, 1951 - November 8, 2024

Eilene Karic Morris, aged 73, passed away on November 8, 2024, in Philmont, NY. Born on January 31, 1951, Eilene dedicated her life to her family and community, embodying the virtues of love and care. Eilene served the Village of Philmont diligently for 37 years as the Clerk Treasurer, a role through which she touched many lives with her dedication and hard work. Her commitment to her community was paralleled only by her devotion to her family. Eilene was a loving wife to her husband, Richard, a caring mother to her daughter, Heather, and a cherished mother-in-law to Garrett. Her joy was multiplied with the birth of her three grandsons, Gavin, Luke, and Bryce, who brought immense happiness to her life. Family was Eilene's cornerstone, and she always put them first, showing boundless love and support. She was particularly fond of her grandkids and cherished watching them grow, especially enjoying their sports activities, which she never missed. Her love for travel also saw her following her grandsons to various sporting events, making cherished memories along the way. Eilene was preceded in death by her parents, Mary and John, and her brother, John. Her legacy of kindness and community service will live on through her family and all those she influenced. In lieu of traditional services, the family will hold a private memorial to honor Eilene's memory. Contributions in her name can be made to your local humane society, celebrating her love for animals. She will be deeply missed by her family, friends, and all who knew her. Eilene's life is a beautiful testament to the power of putting family first and showing up for others with a

loving heart.

“ Eilene was a carrying and compassionate friend to my mother when she was suffering. For that, I will always be appreciative. Eilene and Rich were some of my parents' closest friends and I have many fond memories of them together having a blast. She will be missed.

“ Eilene was my very first friend in the world. We grew up in the same neighborhood on Robinson and Second Streets. I think Eilene was born being able to do perfect cartwheels and stand on her head anywhere. In the summer we practically lived at Charles Williams playground and everyone there called us “the 2 Eileen’s”. Even when we were really young, Eilene always said she was going to have a daughter and name her Heather. Her favorite color was purple. Mrs. Karic taught us both how to whistle with two fingers and I can still impress people with this feat, but I always give credit to Mrs. Karic. As we grew older we drifted apart, but we’d always run into each other at the Flag Day Parade. We’d laugh and remember some of the old stories and characters from the good ole days. To the entire Morris Family I extend my deepest sympathy for your very, very great loss. Eilene, I will never ever forget you. Rest in Peace, my childhood friend.

*Eilene was my very first friend in the world. We grew up around the corner from each other on Robinson and North Second. I think Eilene was born being able to do cartwheels and stand on her head at a moment’s notice. In the summer we practically lived at Charles Williams playground. Everyone called us “the two Eileen’s”. Even when she was a little girl she said she was going to have a daughter and name her Heather. Back then her favorite color was purple. Mrs. Karic taught us both how to whistle with two fingers and I can proudly say I can still do it today and always give credit to Mrs. Karic. As we grew up we drifted apart and only saw each other at the Flag Day Parade. We’d catch up a little and laugh a little about the good ole days. To Eilene’s family I extend my deepest sympathies for your very great loss. Rest in peace, Eilene, I will never forget you!*
