“ *"Cesti", as we called her in the Operating Room at CMH was a true nurse's nurse. I worked with her from 1971 to 1982 and enjoyed every day! Many of the wonderful nurses that I worked with have now passed but I will never forget the fun we all had at her farm making pizza and swimming in the lake. She was truly an inspiration to me and many others she worked with and will be missed! Kathy (Francis) Kandrach, Cheshire, Ma.*
