“ *When I was small, my Aunt Jane was my friend. She always gave me the most wonderful, and frequently unusual, presents; I still eat every morning from the pretty plates she gave me one year (several decades ago). She was kind when there was a lack of kindness in my immediate family and caused my sister and I to be reunited, for which I will always be grateful,*

*RIP, Aunt Jane, your sister Katie has been waiting for you in the beyond since last month.*
