“ I remember Gram (as I always called her) and all the things she used to do for us, her grandchildren, growing up like it was only a few years ago. Along with our grandfather, she would welcome us to her house on many days during the summer while our parents were at work and always took good care of us. She was warm, loving, and kind - a true angel that is now in heaven along with the other angels. She may no longer be with us in physical form, but her spirit and everything that made her special in every way will never fade away from my heart or memory.

“ I remember your mom always helping out cleaning the church at St. Nicholas. She was a sweet lady. She was a dear friend to my mother, Anna Kitsock. I want to extend our sympathy to you and your family. I am going to request a mass for her at St. Nicholas Ukrainian Catholic Church. Keeping you all in our prayers during this time of sorrow.
God bless,
