“ I was so sorry to hear that Liz had passed away. I worked with her for years at GU and always enjoyed having a chat with her. Even though I now live out of town, I continued to see her at Ocean State and actually saw her the week prior to her passing. Liz always had a smile and something pleasant to say. I'm so glad that I had that last chat with her. My thoughts are with her family at this time. Rest in peace Liz.

“ Chet, Sara, Stephanie, and Samantha: I worked with Liz for over 3 years now. She spoke of all of you fondly, and constantly shared stories of crying over beautiful cards and gifts she's gotten over the years. OSJL has a piece missing, and I was miss her and her spirit. I hope you can find peace in the beautiful memories you had with her. And remember, loved ones are never really gone.
