

Frances Barden Woullard

September 4, 1946 - September 14, 2022

It is with very heavy hearts that Frances Barden Woullard's children announced her sudden death after a car accident on September 14, 2022. Frances was born to Paul and Edna (Moore) Barden on September 4, 1946 in Hudson, NY. Fran was a Registered Nurse who worked at Albany Medical Center for most of her career which spanned over 50 years. She loved being a nurse and was the most patient caregiver as well as being very knowledgeable.

Frances was also a volunteer for many organizations right up to her death. She was past president of the Jaycees in the 1970s and a frequent volunteer at the FASNY Museum of Fire Fighting until her death. She loved giving to others and always thought of others before herself. She made every holiday, birthday, or other special event a truly happy time by making them so special. She sent daily texts every morning to her children and grandchildren that were encouraging and loving to send us off on our journey for that day.

Frances is survived by her children Melissa (Gus) Ellsworth, Rebecca (Joel) Funk, and Dr. Adam Drahushuk. Also survived by her adoring grandchildren Kimberly Drahushuk, Padric Drahushuk, Levin Broccolo, Kristen Ellsworth, and Jocelyn Funk. Frances is also survived by her sisters and brother, Mary Jean (John) Hoose, Donna (Billy) Klima, and Richard (Karen) Barden. She had many nieces and nephews as well as cousins. Frances also had a very

special cousin, Brian Oles, whom she adored.

Frances' husband, Charles Woullard was deceased with her in the car accident.

“ I am so sorry to hear of the death of Frances. I had not seen her since high school, but I remember her fondly, so sweet and lovely, always "Frannie". My deep sympathy to her grieving family and friends. "My flights of angels sing thee to thy rest."
