“ My dear friend has left us all so soon, Frank was filled with kindness, generosity, and most of all Love ❤️ His big heart and jolly voice was so welcoming, and I will truly miss him every day. He was a special gift from God and I'm so very grateful he was in my life. Frank and I shared so many wonderful times and ventures together...he always turned a negative into a positive and that was so contagious, from road trips and long lunches and great adventures together... I will be forever grateful for all the memories we shared!

He was my mentor and my buddy and will be forever missed and cherished. Rest In Peace my dear friend, bless and watch over your friends and family always.

God BlessLove Always Dennis ❤️
