

Fred Huber

October 17, 2021

Fred Huber of Ghent passed away peacefully at his home late Saturday night surrounded by his family.

Fred was the original owner of The Red Barn. He took great pride in The Red Barn and it's homemade ice cream being an iconic landmark here in Columbia County that is remembered fondly by so many.

Fred was a valued member of The Hudson Boat Club and loved this his time there and out boating on the Hudson River.

Fred is survived by his wife, Barbara; his two children, Peter Huber & Heidi Huber Grandinetti and their families including three much-loved grandchildren.

The family is not holding services at this time and requests privacy. They thank everyone for remembering Fred so fondly.
