Little did I know our grown daughters, Colette and Amanda would become such good friends also their daughters too! I know she will continue to watch over all of you from above as that is what wife's and mothers' do! Our deepest sympathy and love,

“ Words cannot express the sadness I feel today. Gail was a nursing school classmate and I will always remember her good humor and smiling face. I send all the family members my deepest condolences . It is always a tragedy to lose a family member. I last saw her two years ago at a lunch reunion. So glad I attended. It was great fun and we shared memories and many laughs. RIP Gail.

“ Dear Family of Gail, please accept my deepest sympathy. She was a wonderful woman. Though we haven't seen each other in a long time, we knew each other and worked together for many years. A sweet and pleasant friend, I am grateful for all the time our children enjoyed each other's company growing up in Pine Plains in the school and in the church. May Gail live in our hearts always. I shall always cherish her memory. God bless you and keep you.
