“ Dear Gary,. It was only yesterday we played in the old house on Allen Street. Parties, picnics and holidays are still so vivid in my mind. 4th of July, New Years sleepovers, family always the center of it all. The time passed so quickly,,,, we never got to say goodbye.. I will never let go of the memories we created growing up, and pray that we will see each other again when our time comes. You will be close in my heart, forever. I will always Love you, and never forget our growing up memories. God Speed dear cousin.....
