“ Gary was like part of our family after we moved to Martindale. He was always at our house and was my brother's best friend for years. He always had a great smile, and a silly joke and was just a really great guy. I am so sorry to hear of his passing. My sincere condolences to his children and family...

“ Uncle Gary, because I'm only 5 we didn't have much time together. It was a lot of fun picking on each other and I loved watching cartoons with you. I know that you had to go to heaven and live with god. Someday when I get older and its my turn to live with god we can pick up where we left off. Love you Sammy

“ I am really saddened to learn of the passing of my childhood friend, Gary Shook. Gary lived right up the road (Martindale) from me and we spent a lot of time fishing, hunting, playing sports and hanging out. My family thought very highly of him too and invited him along when we did family things together. Gary and I were in each other's wedding and I coached his son, Buddy, in youth basketball. Gary was a very likable and good natured guy and I will always have fond memories of the times we shared together. My thoughts and prayers go out to his family.

“ "Uncle Gary, growing up under your wing has been the greatest privilege a person could ask for. You have taught me, whether right or wrong the things that make me the man I am today. Thank you for the precious times we spent together. You will be forever loved and greatly missed. Someday we will all be together again, until then take care of Nanny and Pop. Rest in peace my friend, my buddy, my Uncle Gary." Love you always, David

“ A short while ago I stopped by Gary's and looking back now, how glad I am that I did. His warm and quiet demeanor, a trait that he inherited from his dad, was ever present that day. His smile of pride when he spoke about his son was a constant reminder of how important family was to him. He will be missed by all, especially his sister Nancy and brother Sonny who shared a home with him in the country. Growing up on Chapel Street in Hudson with Sonny and his ever present little brother will always be a part of my fondest memories. Rest in peace Gary, my heartfelt condolences to the family.

“ I remember my first friend Gary growing up on Chapel Street. We had good times doing small simple things that kids do. My thoughts and prayers are with Sonny and Nancy and Gary's family at this difficult time. God bless you Gary...
