“ I always thought as a child her name was Cookie. I didn't know till years later what her name was different. I appreciated her kind words. Always had a gentle ear when I had a problem. I will truly miss her. She was one of a kind.

“ I knew Geneva through the NYS ID/DD Nurses Association. She was a staunch advocate for people with intellectual and developmental disabilities, and a leader in the field of ID/DD nursing.
I greatly enjoyed attending conferences with Geneva, she was a well-liked member of the Association.
Geneva will be sorely missed. May she Rest in Peace
