“ I have plenty of great memories of my father I'm upset about the ones we haven't and won't get to share together. The fact that he never got to meet my wife who gave me a beautiful son and another one on the way. Never had the pleasure to have him at my house for dinner or holidays. We never had much money growing up but he mad every day a special one. We miss you and love you so much pop. Thank you for all the love you have us.
